## Personal Statement

I'm a hard working person and give my best and do the work assigned to me with utmost dedication. My qualities include patience, hard work and dedication. I have experience of working in FOSSMEET from over the past 8 months and I am also a part of COEP MITRA as I believe mental well being is also equally important as academics and physical health, and I look forward to expanding my horizons and am open to accepting new opportunities. In fact, I'm such an amazing person that you would never regret and be happy if you hire me.
